

Young Learners' Winter Course 2024

4th February - 18th February

It may be dark but York is a year-round city and there is always lots to see and do!

Our Winter Young Learners' Course is ideal for those with a January holiday or February half-term.

Our programme makes the most of York at a quieter time of the year and students have the chance to visit many of the key tourist attractions without the high-season crowds.

The course is open to students from 11 to 17 (or 18 to 19 if joining as a Young Adult) and they can travel alone or with a parent. Parents are welcome on our Winter Gold Course and families can share rooms in Melton Guest House – next to the College.

Students travelling alone are looked after by all of us but especially by our welfare staff. We have some lovely Homestay Hosts to provide accommodation and a warm Yorkshire welcome!
