

Young Learners' Winter Course 2025

2nd February – 16th February

York a year-round City!

It may be dark but York is a year-round city and there is always lots to see and do! Our Winter Junior Course is ideal for those with a January holiday or February half-term. Our programme makes the most of York at a quieter time of the year and students have the chance to visit many of the key tourist attractions without the high-season crowds.

The course is open to students from 8-11 if with parents, otherwise 11 to 19, and they can travel alone or with a parent.

Parents are welcome on our Winter Gold Course and families can share rooms in Melton Guest House – next to the College.

Students travelling alone are looked after by all of us but especially by our welfare staff. We have some lovely Homestay Hosts to provide accommodation and a warm Yorkshire welcome!

All activities listed in the Activity programme are included in the fee, including all transport and entry fees.
